

KINETIC YOUTH PROGRAM APPLICATION FORM

The **Kinetic Youth Employment Program** is committed to sponsoring young workers in the **Youth Work in Trades** program to first obtain their first 480 hours towards their apprenticeship and 16 high school credits.

Kinetic can further support those youth to fulfill the 900-hour requirement to obtain the \$1000 Youth Work in Trades Award. Kinetic acknowledges the need to help grow young workers and to create a safe, inclusive environment where they can thrive.

Kinetic Youth Program Will Provide

- Green hard hats to ensure recognition as young workers. This will ensure higher visibility and accountability to other employees.
- Standard High Visibility vest and safety glasses
- Specialized Courses such as SiteReadyBC and Fall Protection
- Specialized New and Young worker safety orientation.
- Mentorship with another Carpenter to help them expand their knowledge and skills.
- Monthly check in with supervisor
- Customized training for our supervisor centered around supporting young workers and ensuring their safety

The program will only be offered to full-time placements, and the hourly wage for the students will be **\$22/hr** who are registered as **First Year Apprentices**. *Note: This position is exempt from the KEA collective agreement as part of the Kinetic Youth Program.*

Students must be prepared to travel to their daily job site. Typical hours will be Monday to Friday between the hours of 7:00am – 4:00pm. Students will be notified if there is a variance in these hours. Placements will be approximately 12 weeks in length.

Apprenticeship Support

Kinetic reimburses apprentices for the cost of school fees, tuition, and books following the successful completion of each Apprentice Level component at a designated post-secondary institution and upon their return to work at Kinetic.

All Kinetic Apprentices, including Youth Work in Trades participants, are invited, and required to participate in our internal Apprenticeship Enhancement program. This program meets once per month for classroom sessions that address skills and knowledge Apprentices are expected to learn in the field.

Kinetic will continue to provide long term support to Young Workers to build their careers, after their completion of the Young Workers in Trades Program.
